

# BUTTS ARE LITTER

A photograph showing two hands wearing purple nitrile gloves, held palm-up, displaying a collection of discarded cigarette butts. The butts are of various brands and stages of use, some with filters and some without. The background is a blurred outdoor setting, possibly a beach or park, with some green grass and brown soil visible.

KEEP THEM OFF STREETS AND BEACHES  
AND OUT OF STORM DRAINS

A HEALTHY MONTEREY BAY  
BEGINS WITH YOU
